

Hammer's C3 31 with the Comfort feature package is an outstanding combination machine and meets the highest expectations of the woodworking enthusiast and professional.

This Comfort model combination includes features that have been most popular with Felder Group customers over the years. A cutting length of 2000mm and an outtrigger table give you the best supporting surface when working with larger workpieces.

In addition to the features of the C3 31, the Comfort model offers:

- Sliding table 2000mm
- Outtrigger table
- Precision mitre index
- Crosscut fence 1300mm

Please note machine images may show optional equipment.

## Comfort package

Enjoy even more performance at a great price with the Comfort Feature Package including anodised format sliding table of 2000mm, outrigger table and precision mitre index for angular cuts.

## Silent-POWER cutterblock as standard

For tear-free results, low noise and twenty times the usable blade life, Silent-POWER cutterblock offers outstanding value.

Also available: a 3 knife quick-change, self-setting cutterblock system enables simple and accurate planer knife changes in seconds.

## Overview and features

Perfection in woodworking with the Hammer combination machine. See for yourself the precision and versatility of the Hammer Combi and observe just how easy it is to make a high class rocking chair using wood from the Black Locust tree.

See the benefit of a Silent-POWER cutterblock.
